

WITTING.

Witting, July 16th, '98.

Very little news here now.

Prof. H. F. Brunkenhoefer and lady went to Youkam Friday on a visit to Mrs. Brunkenhoefer's sister, Miss Paula Frehner, who is attending the summer normal at that place.

Messrs. H. Oldenbush, Max Brause and A. J. Stoeltje will leave Monday for Victoria on a prospecting tour.

We were informed to day by Mr. B. F. Williams that the people around Hope neighborhood will not make any cotton. Mr. Williams says L. F. Koehler has about 18 acres in cotton, and the stalks look large and fine, but there is no bolls on them, as the result of the boll weevil. Another man, whose name we have forgotten, has in cotton 100 acres, and is offering it for sale at \$1.00 per acre. Now, talk about your gold standard! What are the people going to do if they don't raise enough cotton to pay the rent? How about the merchant, blacksmith, butcher and saloon man? Tell me, what will they do; live like a newspaper man?

Mr. Alvin Schneider has a very sick child with diphtheria. Dr. A. F. Newberry is in attendance.

Mr. A. Reif, a renter on A. Pagel's place west of Witting, had the misfortune to fall from a load of hay, about 14 feet high, and received serious injury. We hope to be able to report his recovery in our next.

Yesterday evening as Mr. Wm. Helweg was ready to ride home from town, he noticed that his horse was gone. He immediately hunted around, but no horse. And till the horse has not been found. This looks like someone wanted to go to Cuba and had no horse of his own. We hope old roan will come home, so Uncle Helweg can ride, it is to hot to walk.

Success to the GAZETTE and its many readers. REPORTER.

Persons troubled with diarrhoea will be interested in the experience of Mr. W. M. Bush, clerk of Hotel Dorrance, Providence, R. I. He says: "For several years I have been almost a constant sufferer from diarrhoea, the frequent attacks completely prostrating me and rendering me unfit for my duties at this hotel. About two years ago a traveling salesman kindly gave me a small bottle of Chamberlain's Colic, Cholera and Diarrhoea Remedy. Much to my surprise and delight its effects were immediate. Whenever I felt symptoms of the disease I would fortify myself against the attack with a few doses of this valuable remedy. The result has been very satisfactory and almost complete relief from the affliction." For sale by all druggists.
